TOD'26
International Conference for Training and Organizational Development

Abir Leheta

Group Chief Executive Officer Shared Services, Egytrans NOSCO.

Abir Leheta was elected as Chairman and CEO of Egytrans, the leading Egyptian transport and logistics provider, in 2015, thereby becoming the first woman to occupy this position in the history of the company.

She continued as Chief Executive Officer from April 2022 with the implementation of corporate governance best practices separating board and executive leadership roles and became co-CEO of the Egytrans NOSCO Group after Egytrans' acquisition of NOSCO, a leading player in trucking, project logistics and specialized transport in September 2025.

Recognized by Forbes as one of the Middle East's 100 Power Businesswomen in 2020, 2023, 2024 and 2025, Abir's record of transformative leadership is demonstrated through successfully implementing programs and services that have significantly changed the company. Under her leadership, Egytrans NOSCO recently expanded to the GCC through the establishment of Egytrans Arabia and continues to grow, with the aim of building a transnational Transport and Logistics enterprise recognized within the region.

Abir dedicates significant time to civic organizations and is a vocal advocate of women's empowerment. She is Co-chair of the Transport Committee at AmCham Egypt, Chair of the Transport & Logistics committee at the Egyptian African Businessmen's Association (EABA), a Board Member of the Port Said Chamber of Shipping and a Board Member of the German-Arab Chamber of Commerce AHK-MENA. She is also Board Treasurer of the Global Compact Network Egypt, the local chapter of the UN Global Compact, Co-Chair of the AUC Executive Education Advisory Council, and a Member of the Board of Trustees of EIOD (Egyptian Institute of Directors).

Abir holds a B.Sc. in Computer Science with a Minor in Business Administration from the American University in Cairo. She also has certifications in Quality and Organizational Excellence from the American Society for Quality (ASQ), Risk Management from the Institute of Risk Management (IRM) and Board Director Certification from the Egyptian Institute of Directors (EIoD) and IFC.
