The International Conference for Training and Organizational Development TOD'26

TOD'26
International Conference for Training and Organizational Development

Ms. Latifa OUMOUZOUNE, Education and Training Manager IALA/World-Wide Academy.

Since January 2023, at IALA World-Wide Academy, Latifa OUMOUZOUNE has overseen education and training activities as Education and Training Manager. In this role, she is responsible for programme development, delivery, assessment, and a range of functions supporting the Academy's operations.

Latifa specializes in maritime education and training and holds a degree from World Maritime University (WMU). Prior to joining the Academy, she served as Head of Technical and Educational Affairs at the Higher Institute for Maritime Studies in Morocco, where she contributed to the training of seafarers.

With a background in electronics and telecommunications engineering, she managed simulators and technical laboratories while also leading the development and review of educational programmes.

Driving Skill Shift:
Competency and Innovation
for Sustainable Organizational Development
